

# COMMUNITY TOOL BOX

## 2. Assessing Community Needs and Resources

(<http://ctb.ku.edu>)

This toolkit provides guidance for conducting assessments of community needs and resources.

**Outline** (<http://ctb.ku.edu/en/assessing-community-needs-and-resources>)

**Examples** (<http://ctb.ku.edu/en/assessing-community-needs-and-resources/examples>)

### 1. Describe the makeup and history of the community to provide a context within which to collect data on its current concerns.

- a. Comment on the types of information that best describes the community (e.g., demographic, historical, political, civic participation, key leaders, past concerns, geographic, assets)
- b. Describe the sources of information used (e.g., public records, local people, internet, maps, phone book, library, newspaper)
- c. Comment on whether there are sufficient resources (e.g., time, personnel, resources) available to collect this information
- d. Assess the quality of the information
- e. Describe the strengths and problems you heard about
